With effect from 20<sup>th</sup> January 2019 we have taken on production of the Agenoria range of loco kits. Kits AM01-AM41 are usually available from stock (or a about 4 weeks if not). All kits feature mainly brass castings and updated instructions with detailed parts list. Kits AM42-AM66 will be rereleased in due course

For details see:

[www.ragstonemodels.co.uk/agenoria](http://www.ragstonemodels.co.uk/agenoria)

Email: [agenoria@ragstonemodels.co.uk](mailto:agenoria@ragstonemodels.co.uk)

All kits require wheels, gears and motor to complete. Kits Marked T.B.C were previously only produced as complete kits with wheels and motor, we intend to make them available in the same format as the other kits and will announce prices in due course, those marked N.Y.A. will be available later – for information, please email, or provide an SAE for notification when they are ready.

### Ordering

All Kits can be ordered direct from us:

**RAGSTONE MODELS**, 26 Wadham Close, Rowley Regis, West Midlands, B65 9SH.

Please add £12.00 for next day insured post and [make cheques payable](#) to **Andy Beaton**.

***Thank you***
